

# Improve Driving Safety

## Save 10% on Auto Insurance

Do you worry about your safety – or the safety of your loved ones – on the road? So do we. That's why MAPFRE and SalemFive have partnered with the state-certified In Control crash prevention training program to offer a 10% discount on MAPFRE auto insurance with proof of ***In Control's Crash Prevention 101 course completion.***\*

**Motor vehicle crashes are the #1 cause of death for teens.**

“The other kids say my daughter saved their lives... She says she owes it all to your program and my insistence that she take it. Thank you! You saved five lives tonight!”  
– **Liz, Marshfield, MA**

“An oncoming auto turned in front of us without warning. My son immediately hit the brakes hard. He knew exactly what to do: brake hard first, then steer, just how he practiced at In Control.”  
– **Denise, Burlington, MA**

“Most parents do not appreciate how dangerous driving is and In Control has a way of educating without scare tactics. All of my children will take the course and I encourage others to invite In Control to their communities—they won't be sorry.”  
– **Jim, Newton, MA**

### The four-and-a-half-hour In Control course combines hands-on training with classroom instruction and discussion
